## Become a Golfer Today!

Most golf programs are incomplete. That is why we use  
the Operation 36<sup>®</sup> Development Model which centers  
around playing golf. The goal is to help you **shoot par (36)**  
or better for 9 holes.

We want to see each of our golfers fall in love with the  
game of golf and see improvement on the course! During  
each private lesson, our golf professionals leverage the  
Operation 36 Development Program to guide coaching  
and to measure improvement.
