- Support land management tasks such as mowing, planting, and spraying
- Help maintain cleanliness and organization of barns and work areas
- Operate ranch vehicles, farm equipment, and tools (training provided as needed)
- Follow all safety procedures and company guidelines

Qualifications:

- Background in agriculture, farming, animal science, or a related field preferred
- Must possess and maintain a valid driver's license
- Willingness to learn and take direction from supervisors
- Strong work ethic and reliability
- Ability to work independently and as part of a team

Physical Requirements:

- Ability to lift up to 50 pounds
- Comfortable working in outdoor environments, including heat, cold, and uneven terrain
- Ability to perform physically demanding outdoor manual labor, including standing, walking, and bending, for extended periods of time.
